Windjammer®  
LANDING

VILLA BEACH RESORT, ST. LUCIA

The St. Lucia resort, which is independently owned by Canadian-based EllisDon Corporation, boasts 161 villas and suites on 60+ acres of beautiful hillside. In 2009, the resort debuted 42 Anthurium Lily Junior Suites in addition to 12 Hibiscus Suites with private Jacuzzis that opened in 2008 adjacent to the beach. All villas and suites afford breathtaking views of the Caribbean Sea and the idyllic crescent shaped beach with stunning sunset views nightly from all accommodations. It is only natural the couples adore Windjammer Landing for the privacy of their accommodations, glorious location and yet the ease of having a full service resort at their fingertips. The perfect recipe for romance.

The resort is also a big hit with families because of its award-winning Jacquot Kids Fun Club and teen programming offering daily and nightly entertainment for children ages 4+. Younger children are attended to by loving nannies. Vacationers are assigned their own Personal Ambassador, who is on hand to take care of every holiday detail or need during their stay.
